Ref. R.

Dear Sir,

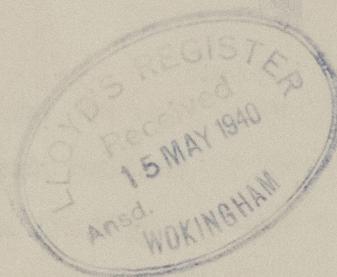

S.S. "MATRA".

With reference to your favour of 3rd proximo, as a result of recent examination it was clear that there is no reasonable prospect of salving this vessel, and as the War Risks Associations in which she was insured have decided to accept her as a Total Loss, we shall be glad if you will kindly delete her record from the Register.

Yours faithfully,

For & on behalf of
