Question:

With reference to your letter of the 19th January last, I shall be glad to learn how this case now stands.

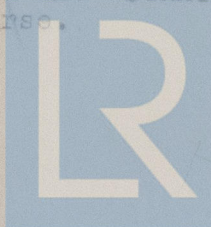

I think it well to add that a report is also awaited on the electrical installation of the Trawler "STRATHLYON" as indicated in the last paragraph of my letter of the 2nd November last.

Answer:

Date: 30th March, 1944.

Application has been made on several occasions for the Electrical Drawings of the installation of the above vessels so that they may be approved, but up to the present they have not been forthcoming.

A Boiler Survey has now been held on the "STRATHCYLE" and our report on the case will be forwarded in due course.
