

"STRATHLYON"

IT IS SUBMITTED the Surveyors be informed that in view of the date now provided, i.e. 9.3.43, regarding the collision referred to in the REYKJAVIK Report, they should be requested to state if the damage mentioned therein was examined during the period from the end of January to the end of March 1943 when they had the vessel under survey. If so, they should state their recommendations.

A copy of the REYKJAVIK Report should be forwarded.
