

Messrs. Lubecker Maschinenbau-Gesellschaft's No.367.

Plan of aft end framing and plating submitted, in duplicate, by the Hamburg Surveyors.

It is submitted the Surveyors be informed that the scantlings and arrangements as shewn and amended on the plan will be approved, provided they be carried out to their satisfaction.

The points raised in Mr. Chisholm's letter are all covered on the plans as amended, with the exception of the question of the frames in way of the open floors, and in regard to this the bulb angles may be as proposed, namely 200 x 75 x 9 mm or 180 x 75 x 11 m/m.
