Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.3.

31st January, 1938.

Dear Sirs,

I have to acquaint you that the s.s. "ZARIAN", Messrs. Furness Shipbuilding Co.'s No. 281, has proceeded to your port with a view to the installation of the machinery.

To complete the survey on the hull the following remains to be done:- Examination of windlass, steam steering gear and auxiliary steering gear under working conditions, and completion of casings after the machinery has been installed.

I shall there be glad if you will be good enough to give the case the necessary attention, and, on completion of the work, to forward a report on form No. 8 with a view to the classification of the vessel.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,
NEWCASTLE/TYNE.
