Lloyd's Register of Shipping.

Port SINGAPORE

30th August, 1941.

This is to Certify that I have

Surveyed the Steel Screw Steamer "WAR SIRDAR", 5647 tons gross of LONDON, while afloat and in dry dock at this port,

and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report, stating that all repairs recommended by me have been completed to my satisfaction, and that I have **Recommended** that she be continued as now

classed in the Register Book with fresh record of survey 8,41 subject to the 9th plate from forward in the 4th strake below sheer (p. & s. E.W. repairs) being specially examined at the next dry docking,

being fit to carry Petroleum in bulk.

John Wormald
Surveyor to Lloyd's Register.

Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
The Committees of the Society use their best endeavours to ensure that the functions of the Society are properly performed and it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Members or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
