Lloyd's Register of Shipping.

Port SINGAPORE

30th August, 1941.

This is to Certify that I have

Screw shafts

Surveyed the Boilers and Machinery of the Steel Screw Steamer

"WAR SIRDAR", 5647 tons gross of LONDON, while afloat and

in dry dock at this port,

and that I have transmitted to the Committee of Lloyd's

Register of Shipping, London, a Report stating that all

recommendations made by me in connection therewith have

been carried out to my satisfaction, and that I have

Recommended that the records of

B.S. 8,41 and T.S.C.L. 8,41

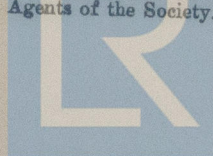

be made in the Register Book in the case of this vessel.

John Wormald
Engineer Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly performed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
