Dear Sirs,

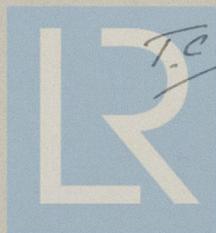

No. 1004.

We send you herewith three <sup>to you</sup> blue paper prints of plan showing Steel Decks for the above vessel, and shall be glad to have your approval of the arrangements and scantlings shown at your early convenience.

Please note that we wish to fit 10" beams at the Main Deck in way of No. 1 Hold, also 10" beams on the Shelter Deck at the after end of No. 2 Space and not 12" and 11" as modified by you on Pillar and Girder Plan, and we shall be glad to know if the original size of girders which was shown on this plan and approved by you on 8th April will hold good.

Yours faithfully,

For HARLAND AND WOLFF, LIMITED,
