

Rpt. 14.

Port of Baltimore, Maryland

20th September, 1943

REPORT ON MASTS, SPARS, AND RIGGING.

Dear Sirs:

Having, in accordance with your instructions, examined the Masts, Spars, and Rigging, and Iron Work of same, of the M. V. "GRENA"

I have to report that I found after examination all masts and standing rigging in good order and condition with the exception of the undermentioned items:-

All standing rigging to be sent down for examination, the foretopmast and foremast stays cleaned off, coated and re-served, the maintopmast and mainmast stays renewed port and starboard and all turnbuckles made workable.

The above recommendations have been carried out satisfactorily.

Fee \$10.00
