ENCLOSURE

23rd April, 1943.

Dear Sir,

*Profile & decks*  
I enclose herewith a copy of a letter dated 21st instant received from the Norwegian Shipping & Trade Mission asking to be supplied with copies of the General Arrangement and Midship Section plans of the motor tanker "KOLLEBJORG", and also the extent of the welding in the hull structure.

The Midship Section was forwarded to you at Dr. Montgomerie's request some little time ago, and I shall be glad if you will kindly return it for copying and, at the same time, let me have an indication of the reply he considers should be sent to the writers regarding the extent of the welding in this case.

I am, Dear Sir,  
Yours faithfully,

Clerk to the  
Classification Committee.

The Secretary,  
C.S.S. Dept. GLASGOW.
