Dear Sir,

With reference to my letter of the 18th ultimo regarding the General Examination and Load Line Renewal Survey due in January next on the Norwegian motorship "INDIA", I think it well to add that the Continuous Survey cycle of Oil Engines has been completed except for the examination of the air receiver for the whistle, and I shall be glad if you will endeavour to arrange with your local office of the Norwegian Shipping & Trade Mission, for this item to receive attention at the General Examination in order to admit of assignment of the LMC OS record.

I am, Dear Sir,
Yours faithfully,

Wm. Bennett, Esq.
NEW YORK.
