ENCLOSURE.

9th December, 1919.

Dear Sir,

With reference to your letter of the 14th October last, respecting the fees chargeable to the Department of the Controller General of Merchant Shipbuilding in the case of the Steamer "SIRIS" (Greenock first entry report No. 17541), I now enclose for your information a copy of a letter which has to-day been addressed to the Society's Surveyors at Greenock, from which you will see that the fees chargeable in this case are £19 for the survey of the Hull, and £34 for the survey of the Machinery.

On payment of these fees your account will be credited with £25: 10: 0 for the survey during construction of the Engines and Boilers at the Makers' works (Glasgow first entry report No. 38900), and I shall be glad if you will kindly see that the necessary entries are now made in the Glasgow Rough Fee and Debit Books in the usual way.

I am, Dear Sir,
Yours faithfully,

Assistant to the Secretary.

The Secretary,

GLASGOW.
