Dear Sir,

m.v. "OAKBANK".

With reference to your letter of the 30th ultimo  
in connection with the Load Line Survey and General  
Examination for Class coming due on this vessel in the  
early part of the coming year, the vessel is at present  
in the Middle East and according to present arrangements  
will be in this country towards the end of February or  
early March next in view of which we would suggest letting  
the matters in question stand over until the vessel's arrival  
in this country.

Yours faithfully,

FOR ANDREW WEIR & CO
