Belfast,

24th November 1941

Dear Sir,

With reference to your Classing letter of the 21st instant and with regard to Belfast Report No.13019 on the M.V. "EMPIRE HOPE", I have to state that the capacities of the fore peak and after peak tanks are 109 and 178 tons salt water respectively, and that there is no duct keel fitted in this vessel. It is regretted this was not made clear in the report.

I am, Dear Sir,

Yours faithfully,

*L.R. Edgar*
