

WOKINGHAM COPY.

S.

22nd November, 1941.

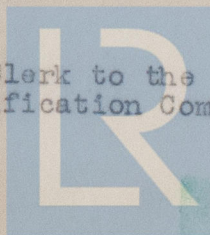

Dear Sir,

With reference to Glasgow Report No.63570 on Messrs. Harland & Wolff's Engine No.1050, I think it well to inform you that the Committee have now had before them a report from the Belfast Surveyors on the satisfactory installation of this engine in the new Motorship "EMPIRE HOPE", which vessel has been assigned a class of "LOCAL, With freeboard", together with the notations recommended by the Surveyors.

I am, Dear Sir,
Yours faithfully,

The Secretary,
GLASGOW.

Clerk to the
Classification Committee.
