

Lloyd's Register of Shipping,

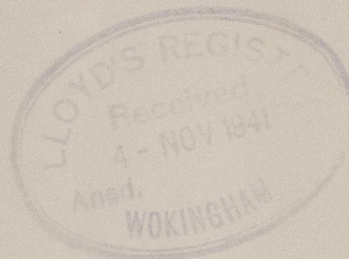

Imperial House,

Donegall Square East,

Belfast, 1st November 1941

The Secretary,

WOKINGHAM.

Dear Sir,

With reference to the First Entry Report Belfast
No.13091 on the ^{M.V.} "EMPIRE HOPE", attention is drawn to the
omission of cargo battens in No.6 hold and 'tween decks and
in the upper 'tween decks abaft the insulated spaces, also
to the estimation of the equipment number shown on the midship
section plan.

Approved plans as follows are forwarded, under
separate cover, and I shall be glad if these may be returned
as soon as possible for dealing with the sister vessel building.

HULL (28) INSULATION (4).

I am, Dear Sir,

Yours faithfully,

L.R. Edgar
