

Chief Ship Surveyor

Received from Chief Ship Surveyor

NAME Stl. Tw. Sc. "ITAPAGE". Rpt. Rou. No. 626.

Remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement. —Extract from Sub-Committee's Report, 24/6/92.

Reply

It is submitted before this case receives the consideration of the Committee the Surveyors should be requested to state the size and spacing of the poop and forecastle deck beams, the spacing of the 3rd deck beams, whether the side girder is fitted in the double bottom tank as approved, the height of the tank side brackets and the tests for the stream wire.
