The Secretary,
LLOYD'S REGISTER OF SHIPPING,
Wokingham, Berks.

Dear Sir,

s.s. "MUNERIC"

In connection with a Heavy Weather Damage claim which we have lodged with the Ministry of War Transport, we are asked to state when the last Special Survey on Boilers was held prior to December 1941, and as we have no record nor copy of Certificate in this respect, we should be grateful if you would kindly put us in a position to supply this information and if possible a copy of the Certificate.

For your guidance, according to our files, the holding of this Survey was contemplated when the vessel arrived at Cardiff in May 1941, but we cannot trace whether in fact it was completed either in part or entirely.

Yours faithfully,

BRIGHT NAVIGATION CO. LTD.
