Belfast, 26th. June, 1919.

Reference

The Secretary,

LONDON.

Sir,

In reply to the enquiry contained in the Classing Letter of the 20th inst. re steamer "MUNERIC", I beg to state that cargo battens are fitted in the tween decks, the Classification Certificate is therefore enclosed for amendment to the endorsement re Cargo Battens.

With reference to the half beams at the second deck, these are .44 in thickness in accordance with the plan of Pillars & Girders on which the beams were specially submitted to and approved by the Liason Office.

I am, Sir,

Your obedient Servant,

*J. M. Ibbema.*
