Dear Sir,

We submit herewith for the consideration of the Committee plan, in triplicate, of Stern Frame proposed by Messrs. Furness Shipbuilding Co. Ltd., for their Yard No.300. *Boyle*

It should be noted that the diameter of the boss has been altered from the plan approved for Yard No.283. This is to suit a different make of Diesel Engine being fitted in the later ship.

We are, Dear Sir,

Yours faithfully,

The Surveyors,
