Dear Sir,

Referring to the approved plan of profile of Messrs. Furness Shipbuilding Co's Yard No.283 we are informed by the Builders that the horizontal stiffeners on frame 19 will not suit the Owners' requirements for casings and Engineers' arrangements.

In the circumstances the Builders have prepared a plan showing alternative proposals, and the same is submitted herewith, in triplicate, for consideration.

We are, Dear Sir,

Yours faithfully,

The Surveyors,
