Dear Sirs,

M.V. 283. TANKER FOR EAGLE OIL Co. Ltd.

E/ We enclose herewith triplicate copies of Stern
Frame and Rudder plan as proposed for the above vessel for
which we shall be glad to have your approval.

Regarding the Stern Frame, the Owners write as:-

We have heard that some of the Anglo-Saxon Ships of this size have had trouble with the stern frame and the suggestion was that it was too light. We, so far, have had no trouble but we would like you to take this up with Lloyd's in case they would like to increase the scantlings at any point.

We shall be glad if you will ^{give} this your consideration.

Yours faithfully,

For FURNESS SHIPBUILDING COMPANY LIMITED
