Dear Sirs,

Ship No. 283.

With further reference to the stern frame boss for the above vessel, we have now received from Messrs. Hawthorn Leslie & Co., copy of your letter addressed to Messrs. Eagle Oil & Shipping Co., dated 11th instant, together with copy of plan referred to therein.

We shall be glad to know that the approval contained in your letter covers the stern frame as well as the stern tube and that we can proceed with the former in accordance with the plans already approved without any increase in the thickness of the boss plating.

Yours faithfully,

(Signed) &c.
