27th April 1937.

Dear Sirs,

E.

Furness S.B. Co's Yard No.283.  
Hawthorn Leslie's Engine No.3941.

I am in receipt of your letter of the 23rd instant, from which I note that Messrs. Hawthorn Leslie & Co. have informed you that they take responsibility for the payment of the survey fees for the 4RQ engine to be built by Messrs. Davey Paxman & Co. Ltd. for the above contract, but that they desire this Firm to pay these charges and to include them in their account to Messrs. Hawthorn Leslie & Co. in due course. I may say that I am advising Messrs. Davey, Paxman & Co. accordingly.

Thanking you for your attention in this matter,

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

NEWCASTLE-ON-TYNE.
