22nd April, 1937.

Dear Sirs,

E.

The Furness S.B. Co's Yard No.283.
Messrs. Hawthorn, Leslie & Co's Engine No.3941.

With reference to your letter of the 15th and mine of the 16th instant, respecting an order placed by Messrs. R. & W. Hawthorn, Leslie & Co., Ltd. with Messrs. Davey, Paxman & Co. (Colchester) Ltd. for the supply of one '4RQ' Type Paxman-Ricardo Diesel Engine, I have to acquaint you that the usual Survey Request form was forwarded for completion to the latter Company, but a letter has now been received from them, reading as follows:-

"We very much regret that when writing you recently we overlooked the fact that Lloyd's fees are not included in our contract and therefore these fees will presumably be paid by Messrs. R. & W. Hawthorn, Leslie who will no doubt arrange with you regarding the Survey".

I shall therefore be glad if you will ascertain from Messrs. Hawthorn, Leslie & Co. whether they regard themselves as being responsible for payment of these fees.

I am, Dear Sirs,
Yours faithfully,

The Surveyors,

NEWCASTLE-ON-TYNE.

Secretary.
