Surveys delayed.

Vessel, when last

reported, in port
in enemy occupation

Lloyd's Register
Foundation

W1200-0030

Book must of necessity be commenced many months before the date of issue, but it is felt that any Register published under the conditions prevailing must consequently be very incomplete. For this reason the decision referred to above has with regret been taken, but I need hardly say that it is hoped to resume the annual issue of the Book as soon as world conditions are more normal.

I am, Dear Sir,

Yours faithfully,

Malcolm K Scott
