Dear Sirs.,

French s.s "NIOBE"

Last December whilst this vessel was at Newport, Mon,
the annual survey of her main boilers was carried out. At
the time we attended on behalf of the Owners - Messrs G. Lamy &
Co, Caen, France. We have now been advised by the owners
that they have not received a Certificate of this survey and we
shall be pleased to know if this document has been forwarded by
you.

Yours faithfully
