

WOKINGHAM COPY.

6th January, 1942.

Dear Sir,

With reference to Glasgow Electric Light Report No. 64740 in the case of the Motorship "EMPIRE PICT", it is noted therefrom that there is a 20 kw auxiliary oil engine on board. It appears, however, that the Greenock Surveyors have omitted to give particulars of this engine or to state whether it was built under Special Survey and I shall be obliged if you will kindly obtain, and let me have, the requisite information on this point.

I am, Dear Sir,
Yours faithfully,

Clerk to the
Classification Committee.

The Secretary,

GLASGOW.
