Lloyd's Register of Shipping,

High Close, Wokingham, Berks.

17th December, 1943.

Dear Sir,

With reference to Glasgow report No. 66800 on the Steamer "NEW COLUMBIA", I shall be glad to learn whether it was the Surveyors' intention to place a limit on the propeller, screwshaft and stern bush, or whether they are of the opinion that these matters could be deferred until the screwshaft is next drawn for inspection. It will be appreciated that under the terms of Circular No. 1772, the drawing of the shaft may be postponed until the end of December next year.

I am, Dear Sir,
Yours faithfully,

The Secretary,
GLASGOW.

Clerk to the
Classification Committee.
