Owners: Sociedad Argentina de Empresas Maritimas
Italia-America.

The Society's Surveyors at Buenos Aires have
forwarded a letter addressed to them by the Owners, stating
that they do not desire to continue the classification of
these vessels in the Society's Register Book.

The cases received the consideration of the
Classing Committee on Wednesday, 30th instant, and in the
circumstances it was decided to give instructions for the
vessel's class in each instance to be withdrawn from the
Register Book and three dots (...) inserted in lieu thereof,
indicating withdrawal of class at Owners' request.

31st March, 1932.
