97 & 98, Scottish Provident Buildings,  
Donegall Square West,

Belfast, 30th July, 1931.

The Secretary,  
LONDON.

Dear Sir,

We beg to forward a letter received from Messrs. John Kelly Ltd., the Owners, regarding the temporary repairs to the S.S. "ANNAGHER". They have been communicated with and it appears their request for an extension of the time for which the temporary repairs are considered good is worthy of favourable consideration. It is suggested it be extended for three months which would reach to the time at which the Special Survey No.2 would become due.

Their remarks regarding the Boiler Survey will be noted.

We are, Dear Sir,  
Yours faithfully,  
The Surveyors.
