Lloyd's Register of Shipping.

Port LONDON.

12th June, 1931.

This is to Certify that I have

examined the Steel Screw Steamer "ANNACHER", 586 tons gross of
net, whilst lying in Regent Canal Dock on 12th June, 1931,
and the damage stated due to collision with s.s. "MORLEY" at
London on 10th June, 1931,

that I have transmitted to the Committee of Lloyd's
Register of Shipping, London, a Report, stating that all repairs
recommended by me have been completed to my satisfaction, and
I have **Recommended** that she be continued as Classed,
with a fresh record of survey, subject to permanent repairs to
the damage being effected before the end of July, 1931,

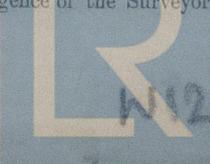

and that she is fit to carry dry and perishable cargo.

23.3.0.

Thomas. E. Sawden

Surveyor to Lloyd's Register.

This certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
The Committee use their best endeavours to ensure that the functions of the Society are properly executed, it is
not at neither the Committee nor the Society are under any circumstances whatever to be held responsible for
any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other
Society, or for any error of judgment, default, or negligence of the Surveyors, or other Officers or Agents
