Dear Sirs,

Reverting to your letter of the 19th September last respecting the steamer "ATHENDALE", which vessel was laid up at Newcastle-on-Tyne under an undertaking, furnished by the late Owners, that all overdue surveys would be attended to before she left that port, I have to inform you that as it appears that the vessel left the Tyne on the 3rd instant without the conditions referred to being complied with, the Committee, who have had the case before them at their meeting today, have given instructions for her class to be expunged from the Register Book with a Red Line, indicating non-compliance with the Society's Rules.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.
