18th September, 1931.

Dear Sirs,

S.

I have to acknowledge the receipt of your letter of the 16th instant respecting the case of the steamer "ATHENDALE", which is being offered for sale to Italy for breaking up.

Your enquiry as to whether this Society will be prepared to grant a certificate to enable the vessel to proceed to Italy under her own steam with a cargo of coal, or in ballast, has received the consideration of the Committee at their meeting to-day, who, after careful discussion of the circumstances of the case, desire me to say that they are unable to agree to the vessel making the contemplated voyage as a classed ship.

I am, Dear Sirs,

Yours faithfully,

Secretary.
