Dear Sirs,

re s.s. "ATHENDALE".

In connection with this steamship we are asked by prospective Buyers to advise them definitely as to what amount of work has already been done to her which is passed by you as qualified for the Special Survey.

We understand that the Owners, prior to the Mortgagees, for whom we act, taking possession, have stated that certain work was effected towards the Special Survey. We do not however have definite information thereon and would be obliged therefore if you will inform us.

Yours faithfully,

J. Pinkney
