21st May, 1931.

Dear Sirs,

S.

I beg to acknowledge the receipt of your letter of the 20th instant from which I note that a prospective Finnish purchaser of the steamer "ATHENDALE" desires a seaworthy certificate to be granted to enable the vessel to proceed from the Tyne to a Finnish port where the overdue 2nd Special Survey No.1 would be completed. The case has been under consideration today and I am directed to inform you that the Committee are unable to agree to the vessel being moved from the Tyne unless the overdue Special Survey is completed and all necessary repairs effected to the entire satisfaction of the Society's Surveyors.

I am, Dear Sirs,

Yours faithfully,

Secretary.
