Dear Sirs,

Reverting to previous correspondence which has taken place with you respecting the case of your steamer "ATHENDALE", I now beg to inform you that the reports of the survey recently held on this vessel by the Society's Surveyors at Newcastle have come to hand this morning, and in view of the work which has now been carried out and of the satisfactory nature of the General Examination made, I have the pleasure to say that the Committee will be agreeable to the completion of the Second Special Survey No.1 being deferred for six months, as desired by you. I telegraphed to the Society's Surveyors at Newcastle today to this effect and have no doubt the Committee's decision has been duly conveyed to you by them.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.
