ANSR

Sir

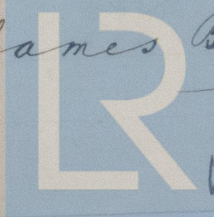

With reference to the first entry report on the machinery of the Ban Hong Leong. I beg to state that this vessel has been fitted with Electric light, the installation not being quite complete, when the vessel sailed for Barry. The Barry Surveyors have been advised as per copy of letter attached, "that the Dynamo has to be seen working with lights on to complete the survey."

The Electric Light report will be forwarded as soon as it is returned from the Electrical Engineers

I am, Sir

Your Obedient Servant
James Barclay
