2nd Special Survey No.2 due February, 1931.  
 Boiler Survey due June, 1931

vey Due

A proposal to have the above Special Survey carried out sometime within the year of grace was agreed to by the Committee last June in view of the general examination held at Amsterdam that month.

In reply to enquiry regarding the Boiler Survey the Owners have informed the Amsterdam Surveyors that the vessel is now laid up at that port and that this inspection will be held before she is again placed in commission.
