S.S. 4/27 Salted

Survey Due Class Expired May 1931.

This vessel's class actually expired at the end of May 1931, but as she was then laid up at Mariehamn the Managing Owner requested that the Restoration Survey might be postponed until this Spring when he hoped to be in a position to place her in commission again, and the Committee, who had the case before them on the 27th May, decided that provided the Managing Owner furnished the usual undertaking the posting of the word "Expired" against the vessel's class in the Register Book would be deferred for a time.
