Dear Sir,

W. & E. Hill - Water Tank Barges Nos.501 & 2.

In reply to the enquiry contained in your letter of 19th inst. I beg to state that the scantlings of the aft peak bulkheads of these vessels are as approved, and it is regretted this was not made clear upon the First Entry Reports.

I might add that the Classification Certificates are being retained in this Office pending payment of the survey fees.

I am, Dear Sir,

Yours faithfully,

J. Weibel
