Lwe. 84958.

Water tank Barge  
(W & E Hill Ltd No 581)

It is submitted that  
this vessel is eligible for  
THE RECORD. + Lwe 11-29.

oil Engines - 2 sets  
4 cy.  $10\frac{7}{16}$  -  $10\frac{13}{16}$ .

N.H.P. 34 O.G.

Romhont Motors Fabrich  
Ams.

It is concluded that the main Engine bilge  
pumps have a 2" suction from the  
engine room bilge & from the after  
peak & that a hand pump suction is  
also fitted to the engine room bilge  
but this should be confirmed by the Lwe.  
Surveyors.
