The Boiler Survey became due in February last.

In reply to enquiry the Owners now write that this  
vessel has now been classed with the Registro Italiano and  
it is their wish that her Class with this Society be withdrawn.

The Classing Committee had the case before them on  
Tuesday, 26th instant, when they decided to give instructions  
for the vessel's character to be withdrawn from the Register  
Book and three dots (...) inserted in lieu thereof, indicating  
withdrawal of class at Owners' request.
