Carrying Petroleum in Bulk.

The Boiler Survey became due on this vessel in August last.

The Third Special Survey No.1 became due at the end of last month.

A communication is now to hand from the Society's Surveyor at Shanghai stating that the new Owners have not replied to enquiries regarding the carrying out of the outstanding surveys on this vessel.

The Classing Committee had the case before them on Friday, 3rd instant, when they decided to give instructions for the vessel's character to be expunged from the Register Book with a Red Line (6,32), indicating non-compliance with the Society's Rules.
