Dear Sir,

S.S. "Singu"

Referring to your letter of the 28th ultimo to our Glasgow friends, the above vessel is due to dock (either at Calcutta or at Bombay as may be most convenient) on 11th April of next year and, as the temporary repairs referred to were very effective, we shall be obliged if your committee will sanction deferring the permanent repairs until then. Should it subsequently appear advisable, ofcourse, we would arrange to anticipate due date of docking.

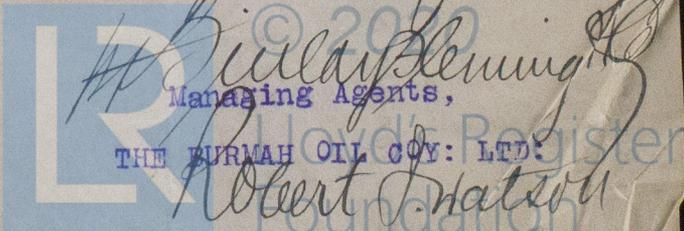

S.S. "Twingone"

With reference to your letter of the 22nd ultimo to Glasgow, as this vessel is due to dock on 5th February, 1909 we hope that your committee can sanction delay of Special Boiler Survey until then.

Extracted

Yours faithfully,

Finlay Fleming

Referred to the Chief Ship Surveyor

Also for Mr. S. A. Hill to note.
