Messrs Lithgows Limited,

Port-Glasgow.

Dear Sirs,

S.S. "Galtymore".

We are obliged for your favour of the 17th inst., re Downton Pump for the above steamer. In view of the War Emergency Measure relating to the non-fitting of Downton Pumps, still holding good, we are of the opinion that no good purpose will be served in giving you a letter. Should, however, Lloyds' Committee decide that Downton Pumps are to be fitted at some future date, we shall have no alternative but to comply with their ruling.

Yours faithfully,

For FURNESS, WITHY & CO, LTD.

D. Ross,

Constructional Superintendent.
