Dear Sirs,

I beg to acknowledge the receipt of your letter of the 21st instant respecting the tug "KEVERNE" and in reply I have to say that in the circumstances the Committee, who had the case before them at their meeting to-day, are agreeable to your proposal to postpone the survey of the screwshaft of this vessel until May or June next.

The Committee consider, however, that the Boiler Survey, which became due at the end of July last, should be carried out on the occasion of the next boiler cleaning, and it is noted from your telephonic message to-day that you anticipate this will be done in November, when arrangements will be made for the requisite inspection to take place.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.
