Middlesbrough, 29th January, 1908.

The Secretary,

LONDON.

Sir,

We shall be glad to be informed what the nominal horse power of the engines being constructed by Messrs. Vauxhall & West Hydraulic Engineering Co. for Messrs. Cook, Welton & Gemmels' No.161 vessel is, so that we may be enabled to charge our third of the special survey fee, the main boiler having been built by Messrs. Blair & Co.Ld., at Stockton.

We are, Sir,

Your obedient Servants,

pro The Surveyors,

R. H. Bryden

P.S. The total heating surface of this boiler is 1306 square feet.
