

S.S. "WEST CARUTH", No. 76998 in R.B., 5632 tons gross , built at San Pedro, Cal., in 1919 by the Southwestern S.B.Co., never classed with this Society.

-----

Plans of this vessel were sent to this Office on the 11th instant by Messrs. F.C. Strick & Co., who have purchased the ship, and who desire to know whether she can be classed with this Society'. The plans in question are now under consideration.

It is submitted the Rotterdam Surveyors be informed that plans of the vessel have already been forwarded by Messrs. Strick & Co., and that the matter is now under consideration and they will be advised in due course of the result.
