

Recd. 10 JAN 1925

Malmö, 7th January, 1925.

Chief Ship Surveyor

NAME

"EPOCA"

no. 620

marks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

The endorsement is required a constant scrutiny of any vessel that may be required to be repaired, and also to bring out clearly any exceptional features in construction, etc. to the ship. At least the following particulars must be given all the salient points mentioned in the endorsement. -- Extract from Sub-Committee's Report, 1922.

First Entry.
